About this Event

The PAC's of Doncaster and Braefoot Elementary schools are pleased to host Dr. Paul Mohapel for his presentation of the Impact of Digital Distraction on the Developing Brain.

As a dynamic, knowledgeable, and experienced speaker, Dr. Mohapel will cover topics such as:

- The impact of screens, gaming, and internet on the young person's brain
- Technologically burnout syndrome & attention deficits
- The addictive properties of technology
- Digital distraction's impact on learning and social skills
- Promoting a more mindful approach in using technology in the classroom and at home

Visiting the School – What to Know

All visitors to the school **MUST check in at the office. If you arrive to pick up your child during school hours, it is very important that you check in at the office to let staff know you are here. We also ask that if you are signing your child out, or signing your child in you do so starting at the office. We monitor very carefully all visitors to the building for many different reasons, but most of all for everyone's safety. We also have a system in place to keep track of our students and we track that through the classroom and through the office. Thank you for your assistance with keeping Vic West a safe place for children!

Library Makerspace

Thank you for all your generous contributions to the library maker space. We know have plenty of supplies to work with and so are no longer accepting donations.

Library Time for Families

Vic West Library opens at 8:30 for families. Students are welcome to come and read a book with a parent or caregiver before the first bell. Siblings are also welcome.

Did you know?

Vic West Elementary has a website. Please visit us there often for the most up-to-date information including our weekly ebulletin. We try to keep up with what is currently going on here at Vic West and in the near future so that you have that information available to you at your fingertips! You can find the website at: <https://vicwest.sd61.bc.ca/>.

When Emailing in a Student Absence:

In order to better keep track of student absences, if you choose to email instead of call into the school please send to the Vic West email address at: vicwest@sd61.bc.ca. This email is monitored by more people and will have less likelihood of being missed should someone in the office be away for the day!

Parking at Vic West

There are certain areas that are unsafe and illegal to park in. In order for the morning and afternoon flow of traffic to remain safe to all persons on our school grounds, it is important for drivers to be aware of where it is ok to park and drop off/pick up.

Please do not park behind the school by the gym. It is very difficult to be seen in that area, and there is a major safety concern for our students and staff.

In addition, please do NOT park in the handicapped parking areas as these are needed by some of our community members.

Just a reminder that the drop off zone at the front of the school is not a parking lot. Please drop off your child and continue to depart with your vehicle from the drop off zone to enable other families to do the same.

Late Arrivals/Early Departures - Need a Welcome Slip from the Office

Please ensure that your child comes to the office if they are late. They will be asked to sign in and take a welcome slip to class. Leaving prior to the bell, also requires a visit to the office so that your child can sign off and be on their way. This practice ensures that we know where your child is while in our care.

Child Alert:

Please let the school know if your child is going to be late or away from school. This saves our office staff valuable time. Please remember to phone the office and let us know. You are welcome to leave us a message 250-382-9131.
